

Thank you for your interest in a film package from My Life Films. Please be aware that you will need to fill out a Needs Assessment survey for the person with dementia to help us to decide if we can make a film for them. [Complete the Needs Assessment here.](#)

This **criteria sheet** gives you more information about what's needed to qualify for a free film. The following are our basic necessary requirements.

### **Health and memory**

- Diagnosis – a diagnosis of dementia of any kind
- Stage of dementia – any stage but the person must be able to directly engage with the films (whether in the making of it or simply from enjoying watching it).

### **Location**

- Variable - dependent on funded areas and waiting list.

### **Material**

- Images and video footage for the life story film content
- Ability to provide interviews for the films (either the Star or from family/friends)
- Means to watch the film (DVD, computer, tablet).

If you have any questions about any part of the process or any concerns, please don't hesitate to get in contact. You can call the office: 020 8948 7560 or email Jo Foster ([jo@mylifefilms.org](mailto:jo@mylifefilms.org))
